SIR:

Greetings!

Thank you for your letter requesting for the conduct of a joint inventory of the streetlights within our municipality. I appreciate your efforts in calling our attention and in reminding us of your earlier request on the same matter.

As I had manifested during our joint meeting with the 7th Municipal Council, this office is very much supportive of your request for at the end of the day, our constituents shall be ones to benefit and it would surely help us in attaining our desired goals in our peace and order campaign.

I wish therefore to inform you that this lowly office had just created an inventory committee to which your duly designated personnel may please coordinate with. Attached is a copy of the Administrative Order for your perusal, information and reference.

Once again, thank you for your strong support!

Sincerely yours,
