PROVIDING FOR GUIDELINES FOR THE IMPLEMENTATION OF GENERAL COMMUNITY QUARANTINE (GCQ) IN THE MUNICIPALITY OF ITOGON

Whereas to prevent the escalation of COVID-19 cases in the country, the National Government placed Luzon under Enhanced Community Quarantine (ECQ) from March 17, 2020 until April 12, 2020;

Whereas due to prevailing circumstances and upon recommendation from the Inter-Agency Task Force for the Management of Emerging Infectious Diseases (IATF-MEID) the ECQ in Luzon was extended up to April 30, 2020;

Whereas on April 30, 2020, the President issued Executive Order No. 112 series of 2020, which imposed an ECQ in High Risk Geographic Areas of the Philippines including the Benguet Province, from May 1 to May 15, 2020. The Executive Order No. 112 likewise adopted the omnibus guidelines in the implementation of ECQ and GCQ, as embodied in IATF Resolution No. 30, series of 2020;

Whereas on May 11, 2020, the IATF issued Resolution No. 35, series 2020, whereby all the provinces and the City of Baguio in the Cordillera Administrative Region (CAR) have been classified as moderate-risk provinces/HUC and consequently the provinces and the City were placed under General Community Quarantine (GCQ);

Whereas by virtue of change of implementation from ECQ to GCQ, there is a need to come up with guidelines to be followed within the Municipality of Itogon;

Whereas in a joint meeting of the Municipal IATF on COVID-19 and the Municipal Disaster Risk Reduction and Management Council held on May 14, 2020, the members and participants discussed and agreed on the guidelines in the implementation of GCQ in the municipality;

Now therefore, by virtue of the powers vested in me as the Local Chief Executive of the Municipality of Itogon in accordance with law, rules and regulations, as well as Executive Order No. 112 series of 2020 and the pertinent IATF Resolutions and Resolution No. 35 series of 2020, **I, VICTORIO T. PALANGDAN**, do hereby promulgate this Executive Order as follows:

Section 1. This Executive Order provides the guidelines for the implementation of GCQ in the Municipality of Itogon, based on the Omnibus Guidelines provided for in IATF Resolution No. 30 series of 2020, as well as other issuances by the National Government.

Section 2. Basic requirements. The following shall be observed at all times for the duration of GCQ:

2.1 Minimum public health standards such as wearing of face mask and observance of physical distancing shall be strictly complied with;
