

Executive Order No. 02nd
Series of 2020

SUPPLEMENTING EXECUTIVE ORDER NO. 010 s. 2019 ESTABLISHING A TASK FORCE FOR THE PREVENTION AND CONTROL OF THE AFRICAN SWINE FEVER (ASF) IN THE MUNICIPALITY OF ITOGON

Pursuant to the national directive known as the 1-7-10 protocol setting forth the guidelines in the movement of live animals from swine farms, the Itogon Municipal ASF Task Force is hereby directed to implement all preventive and protective measures to safeguard the health and welfare of the citizens of Itogon.

Considering the geographical features of the municipality characterized by the presence of natural barriers such as mountains, rivers, creeks, etc. that makes movement of live animals from one place to another extremely difficult if not impossible, the ASF Task Force is hereby instructed to continuously conduct monitoring and surveillance activities on areas separated by the above-cited natural barriers even if within the one kilometer radius.

This Executive Order supplements Executive Order No. 010 s. 2019 and shall be effective immediately.

This February 17, 2020 at Poblacion, Itogon, Benguet.

2. Establish checkpoints in strategic locations to prevent the entry of live pigs without the necessary shipping documents issued by the Bureau of Animal Industry. In such case, the Task Force shall always validate the veracity of the presented documents by coordinating with the issuing authority. Provided further that the Task Force shall conduct an inspection of pork meats being delivered in large quantities either for sale or to be served as food during social gatherings or occasions. A clearance from the Municipal Veterinarian is required before these are to be allowed entry. This requirement shall also apply to ambulant meat vendors doing business in the municipality;
3. Conduct investigation, surveillance and monitoring on all local piggeries and backyard hog producers and carry out immediate diagnosis on suspected cases for the implementation of the culling out procedures in accordance with the approved National ASF Contingency Plan;
4. Develop strategies on how to provide immediate livelihood assistance to families affected by the implementation of anti-ASF efforts particularly those with ASF-infected animals;
5. Shall inspect all establishments in the municipality that are engaged in hog butchering and meat vending to determine whether their products are infected or not with the virus and in case of virus infection, the Task Force shall proceed with the immediate confiscation of the meat and employ proper disposal procedures, or shall order the owner of the establishment or his personnel in his absence to immediately destroy and dispose of the same in the presence of the Task Force;
6. Conduct massive information, education and communication campaign on the cause and effects of the African Swine Fever and on how to prevent the spread thereof in the locality;
7. Shall closely coordinate with the Provincial Agriculture Office, the Department of Agriculture and with the Bureau of Animal Industry for the observance and implementation of approved national protocols on African Swine Fever to include quarantine procedures, culling and disposal, destruction of ASF-contaminated products and sanitization of piggeries or pigpens;
8. Perform other related functions as may be directed by appropriate authorities.

Section 3. Secretariat. The Municipal Agriculture Office shall act as the Secretariat of the Anti-ASF Task Force.

Section 4. Separability Clause. If for any reasons, this Order or parts hereof are declared invalid or unconstitutional by competent authority, other parts hereof not affected thereby shall continue to be in force and effect.

Section 5. Repealing Clause. All Executive Orders and/or Issuances inconsistent herewith or parts hereof are deemed repealed and/or modified accordingly.

Section 6. Effectivity. This Executive Order shall take effect immediately.

DONE this 25th day of November, 2019 at Itogon, Benguet.
